Year 6/7 Aquatics Camp

19 October 2012

The year 6/7 class ventured off to the beautiful Murray Bridge Aquatics Camp from October 10th to October 12th.

The activities that were provided consisted of canoeing, kayaking, sit-ons, sailing, boat handling and knee boarding.

Every year 6/7 tried their hardest at all of the activities, bonding and forming better relationships with peers and the students of Clare Vineyard Lutheran School.

Camp was a very thrilling and exiting time for all the years 6/7’s. On Thursday night Good Shepherd and Clare Vineyard came together and performed a talent night. This was a great way to work together and have fun. On the last day the students enjoyed ten-pin bowling before travelling back to school.

This year the 6/7 camp was a great adventure for all involved.
