The School’s response to students who may have mobile phones

(This policy last updated 2007)
MOBILE PHONES – PROCEDURES

1. Parents need to provide written approval for their child to bring a mobile phone to Good Shepherd. This approval is to be addressed to the Principal.

2. Each day that a mobile phone is brought to school, it needs to be handed in to the front office. It will be stored securely. (Note: the school will not accept liability for theft or damage).

3. Students are to collect their mobile phone at the conclusion of the school day, at which time they may access any messages. Parents are still encouraged to first contact the school concerning issues pertaining to their child. In addition, students are permitted to ring their parents based on the seriousness and urgency of the request.
