# SCHOOL UNIFORM REQUIREMENTS

Good Shepherd Lutheran Primary School has a formal school uniform and a sports uniform.

We believe the uniform:

- encourages students to take pride in their appearance,
- that it eliminates competition in what students wear,
- and that it is the most economical way to outfit students for their school life.

In accepting enrolment families are stating their intention to comply with the uniform requirements.

We acknowledge that individual students have differing needs, as such our uniform provides options to cater for these needs.

Students are to wear normal school uniform to and from school each day. Teachers will advise parents and students when they are required to wear sports uniform (Three days per week).

We expect students to wear the correct uniform whenever they are under the care of the school and to maintain a neat and tidy appearance at such times. If students spend time somewhere (i.e. shopping etc.) before going home, and stay in their uniform, they are expected to wear the complete uniform neatly until they reach home.

Any student who has come to school on a particular day without some item of the uniform, should have a note signed by a parent, explaining the reason. In such cases it is the parent's responsibility to rectify the problem as soon as possible. In a very small number of cases, there may be a medical reason for children not being able to comply with the requirements set down in the uniform policy. In such cases, the permission of the Principal shall be obtained for an exemption from wearing a particular item prior to parents taking alternative action.

During the cooler weather jacket/coats may be worn to and from school and at recess and lunch times when students are outside. We request that where possible these coats are predominantly navy. Because we have adequate heating in classrooms, these items are not to be worn while students are inside the school buildings.

We trust that students and parents will assist us and work with us as we seek to foster neatness and pride in the personal appearance of students at Good Shepherd.

## **SCHOOL BAG**

School bags with the school logo are an optional item and are available from our school Uniform Shop.

## **JEWELLERY & COSMETICS**

No cosmetics are to be worn to school (This includes nail polish)

In regard to jewellery, students may wear: -

- a watch of reasonable size and appearance
- a light chain with a small cross, around their neck
- a maximum of one (1) plain stud or sleeper (small) in the lower lobe of each ear.

Please note that chains with any emblems or items other than a cross, are not permitted, nor are any rings, bangles or bracelets or adornments of different material.

## **HAIR**

In general hairstyles for both boys and girls should be neat, clean & tidy and not extreme or designed to draw attention to the student. The following guidelines have been determined to implement this:

Students with hair shoulder length or longer are expected to always have it all tied back (just with a headband is not acceptable). No hair may fall in front of face when student is working.

No student should have hair hanging over their eyes or their face at any time. Short hair (or above shoulder length) is to be tied or clipped back off the face with plain colour clips which blend with the hair, or with bands or ribbons in the school colours (i.e. navy, white or maroon bands or ribbons)

For a short all-over cut the minimum acceptable length is that of a number two (2) cut.

Hair colour is not to be changed so that it is noticeably different to the natural colour.

All hair accessories are to be navy, white or maroon.

## **FORMAL SHOES**

Black leather school shoes are to be worn by boys and girls all year. The shoes must be of a plain style that can be polished with shoe polish, hence suede or patent leather are not acceptable. These are not to be a fashion shoe. Plain black leather sneakers or boots that can be polished are also acceptable.
